Dear Wilfredo Lebron Jr.,

I am writing today to recommend Wilfredo Lebron. Wilfredo has been a key member of the The National Society of Leadership and Success Chapter at University of Phoenix and has completed a rigorous leadership training program through our organization.

In order to achieve membership in the Society, Wilfredo chose to attend many hours of training focused on teamwork, goal setting, high achievement, leadership skills and styles, self-motivation, and accountability. Instead of needing to learn these skills on the job, Wilfredo will come to your organization with them already developed.

Through many hours of hard work, and after being reviewed by both the staff at their college as well as our National Office, Wilfredo has been awarded a Certificate of Leadership Training. If you have not heard of The National Society of Leadership and Success' certification program, you may not realize how much work is involved for a member to achieve Wilfredo's status. Since joining, Wilfredo has attended training broadcasts with presenters such as Sir Richard Branson, Trevor Noah, Deepak Chopra, Arianna Huffington, and Anderson Cooper. Additionally, through bi-weekly mastermind team meetings, he has learned how to use a peer group to increase performance. After each meeting, Wilfredo completed a journal to document his progress and goals.

I am highly recommending Wilfredo.

Very truly yours,

Charles Knippen
President
The National Society of Leadership and Success
